The American Numismatic Society,

Broadway, between 155th & 156th Sts.,

New York, N. Y.

Gentlemen:-

Am enclosing check for \$5 to cover membership dues but do not see why my dues should start from December 31st when I was elected into your organization on the 24th of May.

Have joined a good many organizations and have always found that my membership dues were dated from the last of the year or the first of the year, from the time I joined.

Thanking you for an explanation as to why this discrepancy occurs, I remain

Truly yours,

William Hesslein

May 27th, 1918.

Mr. William Hesselein,
101 Tremont Street,
Boston, Mass.

Dear Sir:-

I have your letter of May 25th enclosing bill for dues and cheque to cover same. I am returning herewith the receipted bill and thank you for prompt payment.

Referring to your letter you will note on our bill that your dues do not begin on December 31st, but end on that date. Our fiscal year is the same as the calander year. The dues you have just paid are for 1918. The dues for the next year are payable January 1st. I think you will find that this system of paying membership dues annually is customary in most organizations.

Trusting this is a satisfactory explanation of your question, I am,

Yours very truly,

Treasurer.

My dear Mr. Wood:-

In answer to yours of the 15th would be pleased to buy the St. Michael medal, which is in perfect condition, for the Numismatic Society as probably it is not in the collection, and would purchase same for the society but do not know what to pay for it.

Any information will be appreciated and if I can purchase it will send it to you as soon as I secure it.

Awaiting an immediate reply as the party wants to know what I will pay for it, I remain

Dear Sir:-

The St. Michael decoration is not particularly scarce
and we would not be justified in offering a large price for it
but would be glad to take it if you could get for us at about
\$3.00

Sincerely yours,

Curator

Mr. William Hesselein,
Paddock Building,
Tremont Street, ,
Boston, Mass.

Dear Mr. Hesselein:-

Your letter to Mr. Wood was opened
because of his absence in the hospital.

Mr. Newell agrees with me that it *(the Texas Coin)*
is a forgery, and states that he has two
other specimens from apparently the same
die. I am sorry we can not tell you it is
a genuine piece.

You will be glad to know that Mr.
Wood's operation disclosed conditions that
were less serious than had been anticipated,
and that he is, we trust, on the way to a
speedy recovery.

Very truly yours,

Secretary.
